## CBSE & IGCSE GRADE X (2015)

## The School

A K-12 co-educational, private, day-cum-boarding school situated in the picturesque, heritage city of Jaipur in Rajasthan. Our student body & faculty hail from all parts of India and the world. In our pursuit of excellence, well known personalities from diverse fields like Theatre, Music, Dance, Academics and Sports are invited on campus to conduct workshops for students and interact with faculty.

## Academic Curriculum

The School prepares students for the Indian National curriculum-CBSE Board as well as the International curriculum –comprising of IGCSE and the IBDP. In Grades 1 to 10, students choose either the Central Board of Secondary Education programme (CBSE) or the University of Cambridge's International General Certificate of Secondary Education (IGCSE) programme. Students in Grades XI & XII pursue the International Baccalaureate Diploma (IBD) Programme or the CBSE programme. In CBSE the school offers all three streams- Science, Commerce & Humanities -totaling to about 20+ subjects. Sports, Visual and Performing Arts as well as Yoga are an integral part of every student's life in School.

## Academic Calendar

NMS operates on a semester calendar, with Semester 1 from April to September and Semester 2 from October to March.

## Subject Load

**CBSE curriculum:** In Grades IX and X, students enroll in 5 subjects which include two languages: (English compulsory) and a choice of second language from Hindi, Sanskrit or French; Mathematics; Science (Physics, Chemistry and Biology) and Social Science (History, Geography, Political Science & Economics). In Grades XI and XII a student may choose any 5 subjects to study for two continuous years. They are also graded for Work Education, Physical & Health Education and General Studies.

**International Curriculum:** In IGCSE Grades IX & X students enroll for a minimum of 6 & maximum of 9 courses. In IB Grades XI & XII students take 6, two year course (3 at higher level & 3 at standard level), a Theory of Knowledge course, 4000 word Extended Essay & a minimum of 150 hours of Creativity, Action & Service project.

- Students in Grade IX & X take the PSAT Exam conducted by College Board for which the school is a centre. Students in Grade X, XI and XII are also offered tutorials for AP (Advance Placement) Courses.

## Grading System

In Grades IX and X, the grading is A\* to U for those doing the IGCSE (with A\* the highest) & cumulative grade point average ranging from 10 pt. to 1 pt. with 10 being the highest in CBSE. In XI & XII, students doing the CBSE curriculum are awarded percentage marks in their 5 main subjects & the IBDP students receive the IB grades of 7 to 1 (with 7 as the highest) per subject for six subjects & 3 additional points for TOK, EE and CAS.

## National Academic Achievements

- 6 students of grade XI and XII qualified for The Kishore Vaigyanik Protsahan Yojana (KV PY), an on-going National Program of Fellowship in Basic Sciences, initiated and funded by the Department of Science and Technology, Government of India, to attract exceptionally highly motivated students for pursuing basic science courses and research career in science. For more details refer to <http://www.kvpy.org.in/>
- 5 students of grade X qualified the National Talent Search Examination (NTSE) through a selection procedure comprising of a written examination. In all 4000 students get selected from the country.
- 1 of our gr. XI student secured Rank-2 in the International Spell Bee Contest-2015 held at Abu Dhabi.
- 2 students achieved All India Rank-1 in International Olympiad of English Language and Unified International English Olympiad respectively.
- 24 out of 38 students of gr XII qualified the Joint Entrance Examination- Mains (2014-15) for Engineering.
- 8 students fall in the top 100 International Rank in the Olympiads organized by Science Olympiad Foundation (SOF) with 3 in National Science Olympiad(NSO), 2 in International English Olympiad(IEO), 2 in National Cyber Olympiad(NCO) and 1 in International Mathematics Olympiad(IMO).

## Student opportunities

- Students actively participate in sporting and co-curricular activities at the State as well as National Level while integrating community service as a part of their holistic education at NMS.
- The school has a very active student led MUN program for the last 7 years. The annual Neeraj Modi Model United Nations (NMMUN) conference provides great opportunities for students to deliberate on contemporary, social & critical issues faced by the world and helps them develop leadership qualities.

- With the growing appreciation of TED Talks as a teaching & learning tool and a catalyst for innovation & change, our school has formally launched TEDx Youth recently and had organised the first show on Oct 12, 2015 with the speakers from different sectors.

- As a part of exchange programs, NMS invites foreign students' group visits. These visits are designed exclusively for school students & are a perfect amalgam of learning & leisure. This program offers various academic & non-academic workshops for the visiting schools & also varied social service opportunities. NMS has had several exchange programs with ISL- London, Sutton Valence School - London, Albert Einstein Gymnasium- Germany, Berlin International School- Berlin, Xinmin Secondary School, Crescent Girls School, Fairfield Methodist School, West Spring Secondary School, -Singapore, Strathcona School- Australia, Box Hill International School- Australia, Le Bocage International School- Mauritius.

#### **Awards and Recognition**

- NMS has been ranked as No.1 Day –cum-Boarding school in Rajasthan for two consecutive years 2013-14 and 2014-15 by Educational World.
- Unified Council and Silver Zone Foundation have ranked NMS as the best performance school in India in 2014-15 for their student's brilliant performance in the All India Level Competitive Examinations.
- NMS is also a member of International Award for Young People (IAYP) which encourages over all development of young adults by challenging them in four areas- physical recreation, skills, service and expeditions.

#### **Boarding facilities**

The State of the art Boarding house for Boys & Girls has a student community from across India as well as Thailand, Russia, USA, Poland, Liberia, UAE, Japan and elsewhere.

#### **Sports Facilities**

NMS has a football field, a Cricket ground of International Standards, a 400m Athletic track, Courts for Tennis, Basketball, Badminton & Volleyball, Horse Riding, Cricket Nets, Table Tennis, Squash & Swimming. All sports activities are conducted under the supervision of qualified coaches of National & International repute. The school hosts Inter School tournaments & our teams participate at the District, State & National levels in Tennis, Badminton, Athletics, Basket-Ball, Football, Archery, Cricket, Swimming & Table-Tennis.

#### **Neerja Modi Arts Centre**

A highly valued & integral part of our community outreach is the Neerja Modi Arts Centre, better known as a comprehensive arts resource in our region, where the artist in all of us, from the newly-awakened to the long-established connect with reputed local & foreign artists to make aesthetics an innate part of life.

#### **Community Services**

Education is empowerment and at Nischay, we envision a fully literate society which can only be accomplished if the 'Women' of tomorrow are literate and self reliant. In Rajasthan, education of under privileged women is a rarity and there is high rate of female infanticide. As a part of our school's vision to empower these girls which will help them achieve their goals and be able to change their future. This dream would not be possible if they were uneducated. Nischay is a unique initiative promoted under the aegis of Shri Modi Shikshan Sansthan. It is a comprehensive school till grade X which strives to educate under privileged girls totally free of cost- which includes uniform, school bags, books, mid-day meals and conveyance facilities. At present over 800 girls are studying in the school.

Apart from the basic infrastructure, there is a fully equipped computer lab and a vast play ground with slides and swings. Vocational expertise is imparted to the girls in our sewing and crafts room, baking & confectionary. On the academic front, the quality of education is ascertained by well qualified teachers. The school also encourages international volunteers to work with our Nischay students on scholastic and co-scholastic areas throughout the year.

NMS is quite proud of the community outreach program. For the last 14 years, this program has empowered underprivileged girls from below poverty level of the society. This program has allowed them to obtain a free education and to obtain vocational training. Students from Grade IV to XII of Neerja Modi School are involved with these girls through teaching various subjects/ mentoring/ becoming role models/ Dance/ Art/ Sports/ Photography/ Digital learning. These community activities bring the students together on campus.
