**Motto: Knowledge, Truth and Wisdom-nurtured by values.**

**Vision:** A co-educational, non-sectarian day/ boarding school serving Grades kindergarten to 12. An institution deep rooted in tradition and values, and yet always pioneering to adapt the latest teaching and learning strategies. Creating an environment for learning which is stimulating, innovative, tolerant, enjoyable, and which encourages intellectual inquiry and curiosity. Most of our students begin school with us at age three and graduate from the same institution as high school seniors. Students form friendships and relationships that lasts a lifetime. We pride ourselves in being a academically competitive school. The extra-curricular and co-curricular opportunities for our students are expansive; students participate in competitive sports and athletics, academic Olympiads, Science Research program, national chess championship, extensive debates and start up competitions. We have a strong leadership structure within our student community. Having a desire to give back and make a meaningful impact on the community is a practice that runs through students at NMS. Students engage deeply with school community service initiatives and also reach out to a number of local NGO's, health care centres and government schools. Sports, Visual and Performing Arts as well as Yoga are an integral part of every student's life in School.

**Academic Calendar:** NMS operates on a semester calendar, with Semester 1 from April to September & Semester 2 from October to March.
