CIE Centre No. : IN689

CEEB Code : 671654
UCAS Code : 40495
Website url: www.nmsindia.org

Motto: Knowledge, Truth and Wisdom-nurtured by values.

VISION

We are a co-educational, non-sectarian day/ boarding school serving grades kindergarten to 12. We are an institution deep-rooted in tradition and values, whilst pioneering to adopt the latest teaching and learning strategies. We strive to create an environment for learning which is stimulating, innovative, tolerant, enjoyable—one that encourages intellectual inquiry and curiosity.

ABOUT US

Most of our students begin school with us at age three and graduate with us as high school seniors. Students form friendships and relationships that last a lifetime. We pride ourselves in being an academically competitive school. The extra-curricular and co-curricular opportunities for our students are expansive. Students have the chance to participate in competitive sports and athletics, academic Olympiads, science research programs, national chess championship, extensive debates, and start-up competitions. We uphold a robust leadership structure within our student community. Having a desire to give back and make a meaningful impact on the wider community is a practice that runs through our student body. Students engage deeply with campus community service initiatives and also reach out to a number of local NGOs, healthcare centres and government schools. Sports, visual and performing arts, as well as yoga are an integral part of every student's life.

STUDENT OPPORTUNITIES

The school has run an active student-led **MUN (Model United Nations)** program for the last 10 years. As **TED Talks** have increasingly become a teaching and learning tool, as well as a catalyst for innovation & change, our students have taken the lead to organise **TEDx Youth and Tedx Kids** events. NMS student speakers who have made remarkable differences in the community are chosen to become speakers. NMS has a dynamic **STEM** club, which convenes weekly to contribute to the technological advancement of the school. They have introduced **Robotics** in the 2016-17 academic year and have now set up a Robotics Lab and Innovation Centre.

JSEF- Jaipur Students' Entrepreneurship Fest, an event organised by the members of NMS' Entrepreneur club is an interschool national event, which hosts multiple competitions related to current business trends. The most popular event is the start-up competition: a competition where students get the opportunity to present and pitch their start-up ideas. NMS is also a member of International Award for Young People (**IAYP**) which encourages overall development of young adults by challenging them in four areas: physical recreation, skills, service and expeditions.

The **Jaipur Debate** organised by the debate society of NMS has also become a popular national competition, involving the participation of schools nationwide.

NMS is also a member of **International Award for Young People (IAYP)** which encourages over all development of young adults by challenging them in four areas- physical recreation, skills, service and expeditions.

COMMUNITY SERVICE

Nischay is a NGO which strives to educate underprivileged girls free of cost: uniforms, school bags, books, mid-day meals and conveyance facilities are all covered. Vocational expertise is imparted in our sewing and crafts room, as well as our baking & confectionary classes. Students from Grade 4 to 12 engage with Nischay by teaching various subjects, mentoring the girls and sharing subjects like dance, art, sports, photography, and digital learning. These community activities bring the students together and help foster values of empathy, compassion and respect towards others.

SPORTS FACILITIES

NMS has state of the art facilities including: a football field, a cricket ground (International Standard), a 400m athletic track, courts for tennis, basketball, badminton & volleyball, horse riding, cricket nets, table tennis, squash & swimming. The school hosts inter-school tournaments & our teams participate at the district, state & national levels in the following: chess, squash, tennis, badminton, athletics, basketball, football, archery, cricket, swimming and table tennis.

STUDENT LEADERSHIP

Nominations for the members of student council are made by the teachers and student community, followed by rigorous interviews and individual presentations. The members selected display extraordinary leadership towards responsibilities taken. They imbibe and implement ethos of the school, have a strong commitment to give back to the school community, and inspire their peers and juniors through exemplary actions.

CAREER & COLLEGE COUNSELLING SERVICES

NMS helps students build upon their positive experiences at NMS to gain admission into colleges and universities in India and all over the world. Our comprehensive counseling program guides and supports students throughout the university application process, beginning in Grade 9 and continuing throughout Grade 12.

BOARDING FACILITIES

The state-of-the-art boarding house for boys & girls is home to a student community from across India, as well as Thailand, Russia, USA, Poland, Liberia, UAE, Japan and more.
