OUR RESPONSE TO THE GLOBAL PANDEMIC

When all educational institutions were shut by the Indian Government in March 2020, Neerja Modi School transitioned to virtual instruction through synchronous learning for all academic and co-curricular activities. We re-opened in January 2021, only to shut again in March 2021 due to the devastating impact of the 2nd wave of COVID-19 that swept the nation.

Many students, families, and staff members were diagnosed with COVID-19, and some lost loved ones. This called for large-scale counseling and support for our students, parents and staff. The students also faced severe setbacks in their plans for internal assessments and Science Practical lab work and CAS activities, without access to laboratories, library, and field visits. The school moved all assessments online, ensuring academic honesty through strict monitoring and procedures.

Our college counseling department has also gone virtual. Our main goal was to support students in navigating these unprecedented times: we focussed on stress management, as well as on nurturing social and emotional well-being. The virtual program provides seniors and their families with individual meetings, small group counseling sessions, and guidance presentations. Moreover, we organized virtual college rep visits, virtual college fairs, and virtual application workshops to ensure students' college applications remain accurate and thoughtfully completed.

STUDENT OPPORTUNITIES

NMS offers wide-ranging opportunities to students to engage in meaningful co-curricular and leadership experiences. During this academic year, we witnessed the creation of more than 10 student-led clubs, adding up to a sum of more than 30 student-led organizations and activities. Student participation in our diverse range of clubs such as the Art Appreciation Club, Biosciences Club, Chemistry Club, Psychology Club, and much more is reflective of the diversity and initiative within our community.

Moreover, many of our activities have taken place virtually this year: including Jaipur Debate, MUN, Research Programmes, Literature Festival, Summer Camps, Annual Club Fair, Community Service projects (Music Concert Fundraiser, and work with local NGOs), Leadership programmes like TEDxYouth@NMS and Student Council responsibilities, and more. Each student is allowed to join not more than 2 societies or clubs in an academic year.
