

# NEERJA MODI SCHOOL

A GLOBAL INSTITUTE

*HOLIDAY ASSIGNMENT*

**SCHOOLS OFF!**

**GRADE V**

**ACCELERATED PROGRAM-STAGE 1**

## **SCIENCE**

1. Sunderlal Bahugana led a movement called “Chipko movement” to protect trees from being cut down in forests. Find out when it started and how the people led by him prevented the cutting down of forests. (Collect information from internet.)
2. Draw 5 simple food chains with relevant pictures pasted on a half sheet of chart paper.
3. Read Ch.10 “Our Environment” from the given module.
4. Practice the diagram of structure of seed from Ch. 1 “Plants”

## **MATHS**

Complete the module of HCF & LCM.
