HOLIDAY ASSIGNMENT

SCHOOLS OFF!

GRADE VI ACCELERATED PROGRAM STAGE II

SCIENCE

1. One of the major attractions of festivals is special food. Prepare a list of the special things that are cooked at home during any three major festivals. Mention the main ingredients used and their sources.
2. Draw a Food web found in the ecosystem showing at least three food chains.
3. Prepare a Scrapbook in which you collect and paste pictures about unusual animals, birds, insects and plants from all over the world. Enlist any two features (eg:- habitat, location, use, external features, food habits)
