Grade XII

Graduation Day Ceremony

Graduation day brings with it a roller coaster of emotions for graduates and their families alike. There is a reflection on past trials and successes as well as hope for the future.

With the same spirit, the teachers, parents and students of grade XII Batch 2018-19 assembled with mixed emotions on the occasion of graduation day. It was a moment of elation and excitement when 300 bright young and confident graduates graced the carpet with their heads held high moving confidently in the direction of their dreams. The ceremony ended with precious and enriching moments of the day captured former in the hearts of everyone.

The students of Grades 6 to 8 of Neerja Modi School were lucky to attend an exquisite session with an award winning journalist turned investigator and foreign correspondent - Mr. Dean Nelson where he threw a glistening ray of light upon his marvellous book 'Jugaad Yatra'. The students voyaged Dean's Indian adventures through his novel and explored the special place the word 'jugaad' has in Indian thinking.

Dean Nelson started the prologue to his book Jugaad Yatra: Exploring the Indian Art of Problem Solving with the definition of jugaad which may mean a quick fix, a frugal innovation, a botch job, corruption etc. The thought provoking session ended with mind boggling questions, many of which were appreciated by the author. Some of them were: Why did he choose such a unique theme of jugaad to write his book to which he replied that his trip to India made him experience various forms of problem solving techniques that Indians use to bring down the cost of an existing invention. Apart from India, China has also been using the jugaad technique in their innovations, then why did he choose India to write his book to which he replied that his 10-year stay in India fascinated him in all aspects and ultimately inspired him to write his book. The session ended on a humorous note with a student asking him if he had used jugaad in his life to which he nodded with a smile.
